

Corporate Social Responsibility Policy

Introduction

Corporate social responsibility (CSR) involves managing our business processes to produce an overall positive impact on society. It involves taking part in things that benefit society and it is vital for business success.

Our principles

We recognise that we must integrate our business values and operations to meet the expectations of our stakeholders. They include customers, employees, regulators, investors, suppliers, the community and the environment

- We recognize that our social, economic and environmental responsibilities to these stakeholders are integral to our business. We aim to demonstrate these responsibilities through our actions and within our corporate policies.
- We take all feedback that we receive from our stakeholders seriously and, where possible, maintain open dialogue to ensure that we fulfill the requirements outlined within this policy.
- We will be open and honest in communicating our strategies, targets, performance and governance to our stakeholders in our continual commitment to sustainable development.
- Our Managing Director is responsible for the implementation of this policy and will make the necessary resources available to realize our corporate responsibilities. The responsibility for our performance to this policy rests with all employees throughout the company.
